Parents, teachers, principal, local managing committee and community members actively involve for the holistic development of the child. Different competitions on current issues in the national and global scenarios pave way for them to be global citizens and create a better world. We share different cultural backgrounds to nurture growth, co-operation, tolerance, harmony and love for the nation by celebrating our diversities. Thus we focus on the whole child.

Dear Parents

“Education is a shared commitment among motivated students dedicated teachers and enthusiastic parents with high expectations”. The pandemic “COVID-19 brought unprecedented crisis for all the stakeholders. Each one of us and the entire world got affected by it. During this testing time, though we couldn’t stand together physically but our thoughts got united and we fought together digitally hand in hand, against this pandemic. I would also like to place on record my appreciation for the relentless efforts put in by our teachers, and the constant support we have received from parents. Your belief and constructive feedback has only made us scale greater heights. I am also extremely appreciative of our students, for their positivity, flexibility and resilience which has prepared them for challenges and adapt to the times. We are all partners in this exciting journey and I wish to express my heartfelt gratitude and appreciation to you all. With the new normal, the school corridors are once again resounding with the laughter, shouts and cheers of the students. This is nothing short of a celebration!

The Year Planner 2022-23 highlights the schedules of the activities to be conducted round the year to explore and expose the talents of the students. It covers the details of scholastic and co-scholastic activities to help students prepare well towards harmonious development of the physical, intellectual, emotional, spiritual, moral and aesthetic sides of human personality in order to live happily and successfully and makes him a worthy and contributing citizen.
